+2347053994736

Lagos, Nigeria

## Languages

English Native Speaker

Igbo Good

## Skills

Programming Languages:  
TypeScript, JavaScript, Python

Frameworks/Libraries: React,  
Next.js, Redux, Node.js,Tailwind  
CSS

Tools & Technologies: Git,  
Webpack, Jest, Agile  
Methodologies, CI/CD, DevOps  
Practices

Core Skills: API Integration, State  
Management

Soft Skills: Problem Solving,  
Communication, Team  
Collaboration

## Interests

Football

Learning new things

Listening to music

## Summary

Software Engineer with 4 years of experience in building scalable web apps using TypeScript, JavaScript, React, and Next.js. Skilled in DevOps practices, CI/CD, API integration, and state management. Passionate about clean, efficient code and solving complex problems.

## EXPERIENCES

2023 -

Software Engineer  
Edgenet Consulting Limited, Lagos

- Developed and maintained dynamic web applications using React, Next.js, TypeScript, and JavaScript.
- Collaborated with UX/UI designers to create responsive and user-friendly interfaces.
- Integrated RESTful APIs and ensured seamless data fetching and state management.
- Implemented efficient code structures, improving application performance by 20%.
- Worked on banking applications for initiating and approving transactions, ensuring best coding practices and robust security protocols.
- Participated in Agile development processes, contributing to sprint planning and daily stand-ups.
- Applied DevOps practices for managing CI/CD pipelines and improving deployment efficiency.

2024 - 2025

Software Engineer (Contract)  
Zekyume Limited, London

- Worked on various projects, including AI SaaS applications, implementing scalable solutions with optimal performance.
- Developed dynamic interfaces using React, Next.js, and TypeScript to enhance user experiences.
- Integrated machine learning models and AI services to improve application intelligence and functionality.
- Ensured high performance and robust security standards in all projects.

2021 - 2023

Junior Software Engineer  
Edgenet Consulting Limited, Lagos

- Assisted in developing and deploying web applications using JavaScript and React.
- Conducted unit testing and collaborated with senior developers to troubleshoot issues.
- Contributed to code reviews, improving overall code quality and performance.
- Created reusable components to improve project scalability and maintainability.

## Education

---

2016 - 2021

**B.Eng Mechanical Engineering**  
Federal University of Technology, Owerri, Imo

2022 - 2023

**Complete React Developer Course**  
Zero to Mastery Academy, Remote
